A FLIPD
STUDENT

This photo was taken on the North Carolina mission trip in July of 2010.

How can I help a First Friends middle school student change the world?

This summer flipd students will be going on 3 different trips to 3 different places:

- * 6th graders to Weaverville, NC to partner with ReCreation Experiences - a home repair ministry.
- * 7th graders to Boston to partner with a variety of urban ministries.
- * 8th graders to Canton to partner with Lighthouse Ministries.

You can support a student by:

- * Coming to a luncheon hosted by the High School ministry, Rooted, on **May 1st** from 11:15AM-1:30PM or to a luncheon hosted by the Middle School ministry, flipd, on **May 15th** from 11:15AM-1:30PM (or both!) and give a donation
- * Signing up to have a small group of middle school or high school students do house work, yard work, etc. on **April 9th, May 14th, or May 21st**. You can sign up by

emailing Chrissy at cheade@firstfriends.org and your donation can be given on or before the work day.

donations

All donations are tax deductible.

All donations will be shared equally amongst students who participate in the different fundraisers.

Another way to support students is through prayer. Summer trips are a big stretch for students and your prayers will help uplift and encourage students as they step out of their comfort zones and learn what it means to be a part of a team. Email Chrissy at cheade@firstfriends.org if you'd be willing to be paired with a specific student for prayer.

For more information about the above fundraisers and summer trips or to follow students while they are on their trips, please check out www.flipd.org.
